The Fourth Green Dog Open

On September 14th you can have fun and support a good cause. You are invited to be a part of the Third Green Dog Open.

The Open benefits the education and advocacy efforts of The Generations Project and Hoosiers *First*, Inc. These organizations support the mission of the Indiana Home Care Task Force.

In these tough economic times the policy initiatives of these organizations help thousands of senior citizens and persons with disabilities remain independent and full participants in family and community life. That's something we can all feel good about. It is also why your participation in the Green Dog Open is so important.

The Green Dog Open gets its name from the little green dog that appears in The Generations Project logo. The logo symbolizes an integrated and fully accessible community. Supporting the freedom and dignity of senior citizens, persons with disabilities, and their families is a worthy cause. Your participation in the Open will do that!

All tee times at the Open will be at noon, on September 14th at the Coffin Golf Club. All players will participate in bestball foursomes.

Policy makers and association leaders will participate in the Open. It will be a worthwhile day for anyone interested in supporting home and community based services for Indiana's most medically, physically and financially vulnerable citizens.

The top five foursomes will receive trophies and pro-shop discounts, but all participants will win prizes. The Open will feature prize opportunities for the most accurate drive, the longest drive, and hole-in-ones.

The Course

Coffin is one of the most beautiful golf venues in Indiana. While the mixed terrain course will challenge all levels of skill the beauty of the layout, nestled by the White River and up into the wooded valley wall hills to the west, makes it enjoyable for any nature lover and golfer.

Coffin Golf Club is also a very quick drive from downtown Indianapolis — just ten minutes from the State House. (Take Indiana Avenue northwest to 16th Street. Go west from 16th and cross the White River. Turn northwest on Lafayette Road and shortly after that turn north on Cold Springs Road. Follow Cold Springs Road to the golf club entrance.)

Registration Fees and Dinner

The awards dinner will begin at the Coffin Golf Club in its main banquet hall immediately following the conclusion of play. The awards dinner is expected to begin at 5:30 and conclude by 7:00 p.m.
